Warranty & order confirmation checklist

Planning reference / not an installation manual or binding policy

01 / Identify the contracting entity, exact model, revision and agreed specification.

02 / Request warranty duration, start date, covered parts and performance criteria in writing.

03 / Clarify exclusions, installation/maintenance obligations and allowable operating conditions.

04 / Confirm the claims process, evidence required, service contact and response arrangements.

05 / Agree repair/replacement remedies and responsibility for shipping, labour and customs costs.

06 / Record order, delivery, inspection and dispute-resolution terms before payment.

This checklist does not establish product performance, compliance, supply or warranty commitments. Confirm exact-model parameters and contract terms in writing. Installation requires qualified professionals, the approved manual and local requirements.
