Selection checks

- Appearance reference; exact equivalence to the previous catalogue SKU is unconfirmed.
- Verify measured lumens, panel output, battery Wh and mounting requirements.
- Pricing, certification, protection and warranty require written confirmation.

Document status: generated from the website catalogue for preliminary selection. This is not a manufacturer-issued final datasheet, installation manual, test report or certificate. Confirm specifications, compatibility, compliance, available models and warranty terms in writing for the exact model. Do not use this brief alone for installation or acceptance.
