Selection checks

- Description and ratings are from the source JC Lighting catalogue; verify supply and documentation by model.
- Check measured lumens, panel output, battery capacity, IP rating and installation.
- Final model, pricing, warranty and certification depend on written quotation.

Document status: generated from the website catalogue for preliminary selection. This is not a manufacturer-issued final datasheet, installation manual, test report or certificate. Confirm specifications, compatibility, compliance, available models and warranty terms in writing for the exact model. Do not use this brief alone for installation or acceptance.
