Catalogue reference information (verification required)

Security & Street / 3W / IP65

Selection checks

- Match the model to installation, lighting objectives and site conditions.
- Check measured output, power supply, protection requirements and controls.
- Confirm final specifications and applicable compliance documents for the selected model.

Document status: generated from the website catalogue for preliminary selection. This is not a manufacturer-issued final datasheet, installation manual, test report or certificate. Confirm specifications, compatibility, compliance, available models and warranty terms in writing for the exact model. Do not use this brief alone for installation or acceptance.
